

## Rule: Stat corrections for U16/U18

---

The league is committed to ensuring the stats for players at the U16 and U18 age groups are as accurate as possible, within reason. Input errors are easily corrected.

The league convenors will adjust the stats if justified. Please adhere to the following:

- 1) Contact must come from the **Head coach**. Parent emails will not be addressed.
- 2) The stats will only be changed if there is a reasonable amount of time expired after the game. Convenors will not take a batch of changes weeks after the games have been played. The game needing adjustment should be the last game played.
- 3) Additional assists (secondary assists) will only be added with video proof attached. Without clear proof the league will not add assists to goals.

Head coaches must send an email to the convenor of the Conference. All details listed below must be included:

Game number, Date of Game, Association requesting the adjustment, List all the team's goals as you would like them to appear on the game sheet. The ones you would like changed bold and colour them red. In the following example there are two changes. Secondary assist on first goal and goal on 3rd goal.

Example:

Game Number: U14-345

Date: October 12, 2023

Association: Credit River Capitals

Game Sheet should read as follows:

Goal #	Goal	Assist	Assist
1	11	3	<b>6</b>
2	15	12	9
3	<b>14</b>	9	7

Again, if no secondary assist was provided by the officials originally then video proof must be included to add assists.

Convenors email addresses are:

West U16: [paulharvey0314@gmail.com](mailto:paulharvey0314@gmail.com), West U18: donmundell56@gmail.com

East: macdonaldsports@gmail.com
